After a tragic accident on the seaside, a young police rookie must take on the case of a missing boy while working side by side with a hard-boiled journalist who is on a quest for revenge. Over the course of their investigation, the pair must discover the truth behind their loved ones' untimely deaths. TV show Published: 01/07/2019 Cast: Ruby Rose, Nat Wolff, Dave Franco

Having already brought Lucy Liu to life in 2014's Lucy, actor Ruby Rose is teaming up with X-Men director Bryan Singer for an untitled original Marvel movie. Originally set to be a feature, the project is being developed as a television show with Rose appearing alongside Nat Wolff, Dave Franco and John Gallagher, Jr. Wolff will star as a young FBI agent investigating an elusive serial killer called The Wren. He's on the trail of a high-profile serial killer known as The Wraith but the time to stop him has long since passed. Rose will take on the role of Riley, a young police rookie. A tragic accident on a seaside has left her devastated but she returns to her small town a little wiser, helping her peers with their cases. The actress previously starred in the Netflix period drama series Billions and The Last O.G.. She's currently filming Roland Emmerich's sci-fi film Babylon A.D.. Franco will play Cal, a former college football player who is a young school teacher in the town. Gallagher will be playing Jimmy, a young high
